About us

Cairns Art Gallery incorporates three stunning heritage buildings, the Public Curators Building, Court House Building and the Mulgrave Building. Each of these buildings are divided into smaller Gallery spaces. Exhibitions are installed by a professional Gallery team and the highest museum standards are adhered to.

Cairns Art Gallery will work with successful applicants to determine an appropriate Gallery space and exhibition dates. Successful applicants will be provided with an exhibition agreement and Memorandum of Understanding. These documents will detail the terms and conditions of exhibiting and assist with setting milestone dates.

Application decisions are final, harassment and bullying of staff, visitors or other exhibitors will not be tolerated.
