Please consider the Shop's guidelines when filling out this application

The Gallery Shop's priority is to provide a high quality retail facility which enhances the exhibitions, programs and collections of Cairns Art Gallery, while supporting and promoting artists of the region. The Gallery shop aims to stock unique local, Australian and a small number of overseas products where possible which are not commonly found in other shops in Cairns.

The Gallery Shop does not typically stock products depicting the Reef & Rainforest. We stock only a small range of lower-priced items in this style, as these items can be found easily throughout Cairns and we do not consider ourselves a souvenir shop. Finally, if you already sell your products elsewhere in the CBD, we may not stock your items unless they are unique to the Gallery Shop.

Please take these points into consideration when applying and be aware any products taken are on a strict 3 month trial.

## Cairns Art Gallery Shop Product Guidelines

- Preference is given to functional or high quality design products. Some examples are: Vase's, home-wares, jewelery, books, stationary. Cairns Art Gallery is not a commercial gallery, therefore paintings and static artworks will be selected less often for the shop.
- Preference is given to Australian made items. Products with an element made outside of Australia must have their international component stated.
- Preference is given to items exclusive to Cairns Art Gallery, if your products are available elsewhere in the CBD this will be taken into consideration. A way to overcome this objection is a range exclusive to Cairns Art Gallery.

## CONDITIONS OF LEAVING SAMPLE GOODS

The Gallery would prefer no samples are left unless prearranged by a staff member. However should you choose to leave samples without prior arrangement, please see the conditions below.

- Cairns Art Gallery (CAG) staff take due care with all samples left. However no responsibility will be taken for loss or damage of samples.
- Sample goods are left by choice of the artist.
- Artists will be contacted by E-mail once and by phone once to collect the goods. CAG takes no responsibility for missed calls or missed messages.
- The artist has **30 days** from the first contact to collect the sample goods. At the end of this period the Gallery will dispose of the sample goods.
- No claim shall be accepted by CAG for any loss or damage incurred for disposal of sample goods.

I have read the conditions of leaving sample goods & agree to these conditions.
